**Step-1:** Download "PIB Client Installer" for Mac OS on the desktop from <http://power.indiabulls.com/download.html>

The banner features a computer monitor on the left displaying a trading interface. In the center, a large green arrow points downwards, followed by the word "Download" in a bold, black font. To the right is the Power Indiabulls logo, which includes a green arrow and the text "power Indiabulls" with "TRADING JUST GOT FASTER" underneath. Below the main text, a smaller line reads: "Download the latest version of power Indiabulls, install it on your computer and get going the Fastest Way!".
